- **All services and details are described at: webiwebi.com/megrez**

2. STEP BY STEP

B. 10 Steps - Project Process step by step:

1. Client contact WEBIWEBI+
2. WEBIWEBI+ provides quote/proposal/terms & Conditions.If approved:
3. Client provide SITE MAP, TEXTS, IMAGES, LOGOS (via DROPBOX);
4. Client choose the LAYOUT/DESIGN Theme on wordpress to be used (we send a list of options);
5. Client provide us an economy plan at GODADDY.com with USER and PASS;
6. WEBIWEBI+ starts process of production;
7. Website approved - We unlock the password of the temporary website and it`s ready to go online.
8. All e-mails account are set up at the new server (GODADDY).
9. Final Step - Client choose, if they wish, a maintenance plan, Google Marketing plan, Facebook Plan or SEO Plan. Or the client can just reject all the plans.

3. PROJECT ASSUMPTIONS

C. Clients Responsibility

This DOCUMENT is agreed to, subject to the limitations and assumptions below:
Limitation of WEBIWEBI+ Responsibilities. WEBIWEBI+ shall have no responsibility for the following:

Proofreading, translating of data or Client assets, creating or providing content for the Project.

SIGNATURE_____

Delays related to delays by Client in fulfilling its responsibilities, including delivery of Client data or assets, comments, and approvals.

Scanning, digitizing client assets.

Securing rights for use of any Client Assets in the project, or any trademark or copyright search or other legal work required in connection with Client Assets.

Purchasing any special hardware or software required for developing for the site environment unless specifically stated and approved.

WEBIWEBI+ will reserve the right to take credit for site design and development WEBIWEBI+ will reserve the right to display site credit on site.

Servers, Domains, Plugins, Themes - All the items here described will be responsibility of the client.

Images, Logos, Texts, PDFs, other - All the content of the website MUST BE provided by the client and WILL be considered client's responsibility.

Server - We request you use GODADDY servers. They provide an excellent platform for WordPress.

E-mails - The client is aware that all the e-mail boxes will have to be re-setup on the new servers in case using online webmail.

D. Out of Scope Deliverables

Any additional deliverables requested by the client that is not included in this DOCUMENT and is not included in any previously approved DOCUMENT will result in a Change Order request detailing the additional work.

Additional support/ changes will be charged based on new scope of work.

Deliverables in the Change Order Request shall not commence until it is approved in writing by both parties.

WEBIWEBI+ will not be responsible for shooting or editing images nor videos. WEBIWEBI+ will not be responsible for creating stylized press PDF.

E. Client is aware of:

Because the server will be changed, all e-mails will have to be created again. The client will have no problems in case the e-mails are being used under OUTLOOK email.

SIGNATURE_____

Because the CLIENT is already using his own online reservation system we are not delivering any new system of reservation online; if the client wants the system running on the website that will have to be provided by the client.

F. Checklist:

1. Client will provide USER and PASS of domain URL (   )
2. Client will provide USER and Pass of Server (   )
3. Client will provide TEXT via dropbox (   )
4. Client will provide Images via dropbox(   )
